

HALLOWEEN HUNT SAFETY GUIDELINES

- **Drive Carefully:** Watch your speed and keep an eye out for goblins, ghouls, and little trick-or-treaters crossing the street.
- **Parking:** Convenient parking is available at Laurel Parc, Bethany Athletic Club, QFC, Walgreens, or other nearby parking areas—no need for broomsticks!
- **Witch Way to Walk Safely?** Always cross at designated intersections and look both ways before crossing. Keep your mini-monsters close by for extra safety.
- **Stay Together:** Make a plan with your group so no one mysteriously disappears. Decide on a meeting spot if anyone gets separated from the pack!
